Program:	Biznis Administration
Level:	Bachelor
Subject status:	Obligatory
Year of studies:	1
Number of hours per week:	3 lectures, 2 Exercises
Credit value – ECTS:	5
Time / location:	Prizren
Teacher:	Prof. Asoc. Dr. Halil Kukaj
Contact details:	halil.kukaj@uni-prizren.com
Course description:	<p>The whole material addressed in this module is divided into four parts. The first part handles issues relating to the meaning of some terms that relate to this field and the theories and politics of international business. The second part handles issues that are related to the rules and conditions under which business can be developed internationally, which determine national institutions and international economic institutions.</p> <p>In the third section, various types of international business operations and other actions needed to realize them (customs procedures) are treated. In the fourth section, financial materials regarding international trade, such as international trade financing, payment terms, warranties and payment instruments are handled.</p>

Purpose of the course:	The course "International Business" aims to provide students with theoretical and practical knowledge on the conditions under which international business activities take place, as well as to train them for their practical application. Also, this course provides students with knowledge on international payment instruments, as well as the identification of risks in international business operations and the implementation of risk hedging measures.
